

# nc Stewards

## For a sustainable future

nc Stewards represents a group of environmentally focused Niagara College students. Our goal is to promote and engage in practices that further the objective of sustainability on campus and within the Niagara community. The following information was generated by a survey sent out to those studying environmental science within the Environmental Technician - Field and Laboratory (co-op) program.

### TRAIL HIKING

A majority of respondents voted to take part in a trail hiking activity.

**100%**

### CLEAN UP

A majority of respondents voted to take part in a clean up effort.

**100%**

### INATURALIST

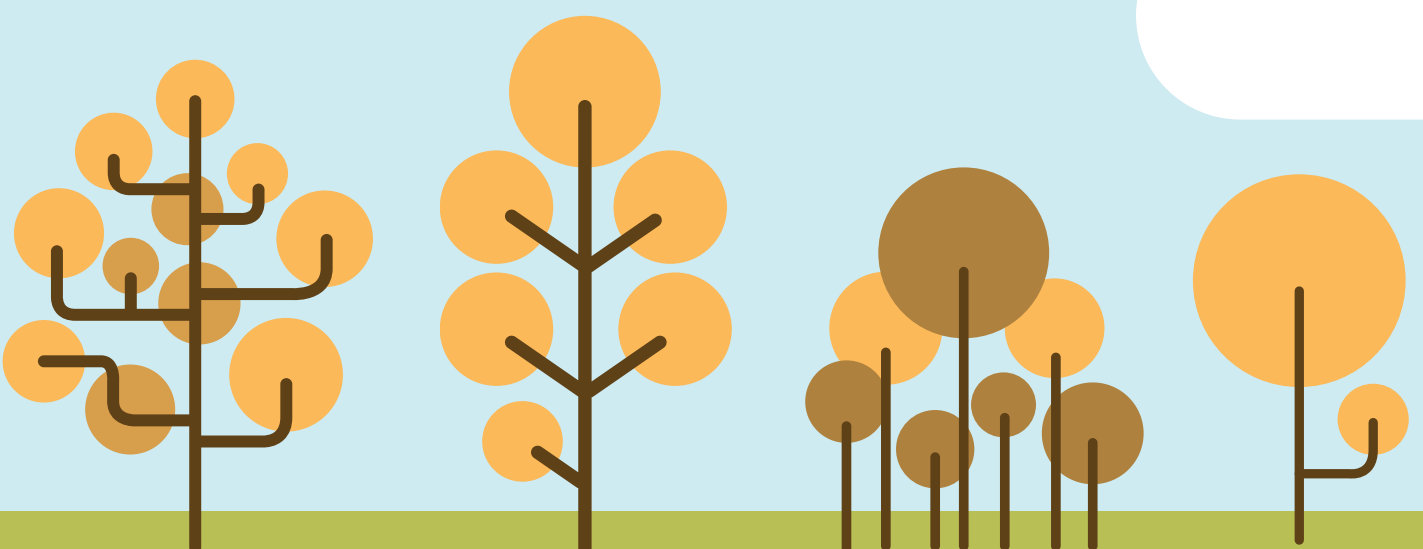

A majority of respondents voted to take part in identifying plant and wildlife species using iNaturalist.

**87.5%**

### POLLINATORS

A majority of respondents voted to take part in an effort to help pollinators.

**100%**
